

DynaFusion Corporate Social Responsibility

We believe in creating valuable assets to the society in the form of educated, conscientious and humanitarian individuals, by providing them the necessary first step - education.

Our CSR strategy and focus areas: The macro level

DynaFusion's CSR initiatives run towards one strong cause – education of underprivileged children in Karnataka. Education is most important for the future of our country, and at DynaFusion we strive to strengthen the medium of education - schools.

10th Standard Valedictory Program

Kanchiganala Government School, Bangalore Rural

Our growing investments on CSR:

Initiatives promoting sustainable development

DynaFusion adheres to all rules and regulations and the 2% CSR spends requirement. DynaFusion's CSR expenditure has witnessed exponential growth since FY 2016 - 17. During FY 2017 - 18, DynaFusion witnessed a 99% increase from FY 2016-17, and during FY 2019-20, DynaFusion spent 82% more than FY 2018-19 on CSR activities.

Our alignment to sustainable development goals

Quality Education (Goal 4), Clean Water and Sanitation (Goal 6) in schools.

Participation in frameworks promoting CSR or enhancing sustainable development

Annual Karnataka CSR Conference 2019.

Rotary International Community Partner Award 2018 for supporting Happy School Project.

Rotary Compassionate Service Award 2016.

Maruthi High School, Doddaballapur

Our CSR objectives, KPIs, targets and figures

We desire to continue supporting the education of rural India, with special focus on the education of girl children in STEM fields. We are also committed to improving infrastructure, study media, drinking water and sanitation facilities in rural and aided schools in Karnataka.

BBMP School, Ganganagar, Bangalore

Our flagship initiative

Financial assistance to merit students for pursuing post-secondary education.

Other company-supported initiatives and projects aligned to our strategy on CSR

Vocational skills development programs in rural Karnataka.
