

*We believe in creating valuable assets to the society in the form of educated, conscientious and humanitarian individuals, by providing them the necessary first step – 'Education'*

### BALASEVIKA TRAINING PROGRAMME

Balasevika is a Programme that focuses on boosting the status of women through literacy training and awareness creation. Thus, promoting their sense of self-worth, their ability to make strategic life choices and their independent role in our society.

DynaFusion, as a Corporate Social Responsibility Partner and Rotary Bangalore R T Nagar having expertise and experience in altruistic social activities, joined hands to enthusiastically facilitate and implement the Balasevika Training Programme that was initiated by The Karnataka State Council for Child Welfare (KSCCW).

As a CSR initiative, DynaFusion is committed to take part by identifying, facilitating and contributing towards the betterment of the community and society at large.

Balasevika is one such Programme in addition to other initiatives concerning to the girl children education and empowerment.
